Today a very informative and Educational session was held at our college to Educate us about our upcoming Placement opportunities.

The session was conducted by Rajendra Kulkarni Sir.

The session started with a very Engaging game of numbers.

The session was carried forward with the topic of Interview Etiquettes.

We got very valuable insights on how to approach the Interview questions and how to Engage with the interviewer.

The Entire batch got opportunities to put forward their views.

Then we moved forward to a few aptitude questions.

He then proceeded to ask a few more fun and Engaging questions.

After that he introduced us to the achievers of this institution.

He at last motivated us on how we can achieve our goals as well and motivated us to dream big and aim high and not restrict ourselves and move with a positive attitude.
