23.	Summary of the Event	Department of Computer Applications – BCA conducted Faculty Development Program. Hemanth Uppala, Vice Principal and HOD - BCA program, welcomed the resource persons Mr. Naman and Ms. Nishika Tiku along with Faculty members of Computer Applications and CS Engineering department. The FDP was a 2-day long hands on training for the faculty members to get them a good understanding of the end-to-end process of building an application from scratch using the below technologies and give them a clear picture of all the aspects of web development including front end and backend development.

Particulars	Event related Details
	<p><b>Day 1:</b></p> <p>Back-end development - Develop a small REST API application in Java and deploy it in the Azure Cloud in the Azure Functions. This will help the attendees in understanding the end-to-end backend development process.</p> <p><b>Day 2:</b></p> <p>Front-end development- Build a small application using HTML, CSS and JavaScript and integrate the back-end API built on day 1 into the front-end application. This will help the attendees in understanding not only the building of a front-end but also integrating the back-end and front-end.</p>
24.	<p><b>Photographs of the Event</b></p> <p><b>Attached</b></p>
