“Career Readiness Toolkit -IBM P-Tech –Coding Skills and Emerging Technologies”

Department: BCA

Date: 04-06-2021

**Summary:** In the series of pre placement training sessions conducted by Prof. Hemanth Uppala under Career Readiness Toolkit -IBM P-Tech, this training session was conducted for 2<sup>nd</sup> Semester BCA. The main agenda of the training was to make the students aware of the career opportunities and be ready to face the campus placements in future.

In this regard Prof.Hemanth covered the following topics

- Career goals
- Improving Coding skills
- Improving Technical Skills
- Online certifications and badges

Various certification courses in the area of technical skills and workspace skills were highlighted the most popular and in demand web portals to improve coding skills were explained. The students were told to improve the coding skills and technical skills along with their workspace skills to be prepared for higher studies or placements. Courses in IBM P-Tech were explained in details and students were encourages to take up these courses.
