23.	Summary of the Event	Under the banner of Centre of Excellence- DS & AI, the department of computer Applications had organized two days Hands-on Training Program on PYTHON. Prof Chandan Hegde from Surana College trained the students of 4 th Sem BCA (A & B Sec) on essentials of Python programming. He started the session with importance of Python programming in the development industry. Students were made to install the requirements themselves and the session continued with basics of python jargons like, data types, declarations, I/O statements, various operations on numeric and string data. Later he made the students to write Python scripts, file handling and in the afternoon session he touched upon the API creation. The training program was an eye opener for the students to start over again the programming skills.
