E – Quiz on Cyber Crime

Time: 11:00 am – 5:00pm

Date: 31stDecember 2021

Summary: E – Quiz was organised by Anti-Ragging Cell – PRABALA, Department of Computer Applications, on the topic of Cyber Crime, Ethical hacking and etc. The quiz was conducted to all the semester of BCA. In this quiz, we've included a series of multiple-choice questions designed to help you test your knowledge of how social networks are used in cybercrime. Access these questions at any time to see how well you understand the software that's used on social media to gain access to your personal information and what someone should do before clicking on a link from a friend on Facebook. This quiz made the students more knowledgeable about how this exactly runs behind. The student showed interest in this quiz and they felt really informative.
