23.	Summary of the Event	Department of Computer Applications – BCA organized a workshop for III & V Semester Students. Mr.Nithin MS and Mr. Rakshith introduced visual designing concepts. The morning session was focused for V Semester students where the advanced Figma features, and website design was highlighted. The concepts of framesets and prototypes were also covered and practical examples highlighting real-world applications. In the afternoon, the III semester students received foundational insights into Figma and website design, covering basics with hands-on exercises. Both sessions emphasized designing login pages, interlinking framesets, and incorporating icons for sign-up pages. The lecture provided tailored knowledge for each semester level, ensuring students gained practical skills applicable in computer graphics design.
