**Department of Computer Applications-BCA**  
**A Webinar on “Believe in yourself “**

**Summary:**

**Date: 22nd Sep 2021**

The Department of Computer Applications (BCA) in association with CIL conducted an online session for the students of BCA I -Sem in the topic of “Believe in Yourself” on 22/9/2021. Various topics like believing in one’s ability to succeed, trusting one self, enhancing confidence levels and never giving up in life etc. were covered. When one believes in oneself, one can overcome self-doubt and have the confidence to take action and get things done. When one is drowning in fears, doubts, and self-sabotaging behaviors, success feels out of one’s grasp. All of the skills, training, and tools in the world won’t change one’s life. The session was interactive and there was good response from the students who attended the webinar. 95 Students participated in this webinar.
