Essay on fictional Movie Characters.

In the vast world of cinema, there are certain characters that leave an indelible mark on the minds of viewers. One such character is Captain Jack Sparrow, portrayed by Johnny Depp, in the *Pirates of the Caribbean* film series. He is a unique & captivating character who defies traditional notions of heroism. With his eccentric personality, cunning wit & unpredictable nature, he has become one of the most beloved & iconic characters in modern cinema.

From the moment he appears on screen, he stands out with his disheveled hair, smudged eyeliner, & mismatched clothing. His physical appearance reflects his rebellious spirit & refusal to conform to societal norms.

He is a character who defies categorization. He reminds us that heroes can come in many forms, & sometimes it is the unconventional ones who leave the most lasting impression.

Topic :- A character from my favourite T.V show.

My favourite character from my favourite T.V show is 'Doraemon' from 'Doraemon' show. No matter how independently you grow, you will always need a friend, a companion like Doraemon. As a kid, I grew watching Doraemon and always thought why didn't I have a friend like Doraemon who would help in the difficult times, who would show me the right path and with whom I would have all the fun. Doraemon had been Nobita's side always, no matter what.

Nobita is a naive, mischievous and funniest young boy, who was so lucky to have a robot friend Doraemon, who actually understood human emotions and values more than a human. Nobita is a troublesome boy who always makes mistakes knowingly or unknowingly. Doraemon always tries to correct him and helps him in his distress.
