24.	Summary of the Event (Minimum 100 words)	Eco cell in colleges will empower students to participate and take up meaningful environmental activities and projects. It is a forum through which students can reach out to influence, engage their parents and neighbourhood communities to promote sound environmental behaviour. It will empower students to explore environmental concepts and actions beyond the confines of a syllabus or curriculum. Major purpose of Eco cell is to create awareness of biodiversity conservation and local environmental issues among all. To encourage students for creative thought as well as their study base skill painting competition with ECO friendly concepts was organized.
25.	Photographs of the Event	Yes.
