22	Summary of the Event (Minimum 100 words)	<p>Students are made to understand the fact that education helps them to develop critical skills like decision-making, mental agility, problem-solving, and logical thinking. People face problems in their professional as well as personal lives. In such situations, their ability to make rational and informed decisions comes from how educated and self-aware they are. Education helps a person develop their communication skills by learning how to read, write, speak and listen. Education develops critical thinking, this is vital in teaching a person how to use logic when making decisions and interacting with people. The United Nations Convention on the Rights of the Child recognizes education as a legal right of every child. Yet education remains a privilege to many. UNESCO data shows that 258 million children and youth were out of school for the school year ending in 2018.</p> <p>Apart from this Dayananda sagar college is taking initiative in bringing society at large to make them aware of the importance of Education. In this connection, a student rally was organised on 18.5.23 in important areas of Kumaraswamy Layout. Placards like “Education to all.” “Each</p>
