24.	Summary of the Event (Minimum 100 words)	<p>Eco clubs play an important role in creating environmental awareness amongst the future generation. It is a platform where we get knowledge about environment. It also enables the students to be sensitive towards environmental concern to tackle environmental problems.</p> <p>The major objectives are: To educate the students about their environment. To create a clean and green consciousness among students through various innovative methods. To mobilize students towards scientific enquiry into environmental problem. To involve them in efforts to preserve environment. To motivate students how to imbibe habits and life style for minimum waste generation.</p> <p>Rally: Environmental awareness campaigns refer to organizing and educating the general public about the importance of understanding our environment's vulnerability and protecting it.</p>
25.	Photographs of the Event	Yes.
