

## **“Full Stack Development” In Association with Oracle Volunteering on 11/06/2021:**

Centre of Excellence – Web Technologies – MCA Department In association with Oracle Volunteering have organized a series of webinars. Ms.Kamal Peter ,Ms.Sreedevi were the coordinators in organizing these webinars. First Session of these webinars series was conducted by Ms.Teashree Kadam , on “Full Stack Development”. She has immense experience in this field and shared her valuable knowledge with the students. Ms.Teashree extensively spoke about her experiences as a software developer and guided the students on future in the industry. She patiently answered all the questions posed by the students. Overall the session was huge success and all students gained lot of insights into the Full Stack Development.
