Dayananda Sagar College of Arts, Science and Commerce
Department of Computer Applications-MCA
Shakthi – Women Dignity Cell
Collage Competition on
Role of Women in IT

**Course : MCA**   **Date: 04-02-2023**

Summary :
Department of Computer Applications - MCA, in association with SHAKTHI-Women Dignity Cell of DSCASC conducted a collage making event to mark the contributions of women in technology domain. There are many young entrepreneurs, Tech leaders, mentors, with successful stories, these achievement of women were very well depicted by the participants through the collage. Both manual and digital versions of the posters were made. Each had a variety of theme and design depicting the importance of technology in recent days with the real contributors. The highlight of the event was that majority of the participants were boy students. They also quoted their concept as "women is Nature and she will Nurture everyone and everything associated with her be it in real or digital. The event was closed with an explanation session by each group on their work and theme. The event was witnessed and by Principal Dr. Nagaraj Shenoy, Vice Principal Prof. Hemanth Uppala, Prof. Suneetha, HoD, MCA, Prof. Aruna Devi, Coordinator, BCA. Prof. Gurunath R, IQAC head and Prof. Ashwini Basavaraj, Head of Women Dignity Cell at DSCASC, judged the participants to give their review and opinion on the same.
