

Earth Day Celebration – 2021 on 30th April 2021

On the occasion of the Earth Day, an array of creative activities and presentations was organized by MCA Department with a view to sensitize about the conservation of natural resources and to motivate everyone to do their bit towards making our planet even more beautiful. The day commenced with wonderful presentations about Introduction and History of Earth Day by the students of I MCA. Other activities like 'Best out of the waste' performed by girl students by creating and captivating crafts using newspapers. The students actively participated in planting the saplings and sent pictures in Eco-club group.

The brochure features a dark blue background. At the top left is the logo of Dayananda Sagar Institute. The text 'Dayananda Sagar College of Arts, Science and Commerce' is written in a light blue font, followed by 'Department of Computer Application - MCA' and 'IQAC - ECO CELL [PRAKRUTHI]' in white. A green, cloud-like graphic contains the words 'EARTH DAY'. Below this is the quote 'LOVE THE EARTH AS YOU WOULD LOVE YOURSELF' in white capital letters. The central illustration shows two hands holding a green globe with a banner that reads 'THE WORLD EARTH DAY'. The globe is decorated with trees, wind turbines, and birds. The bottom section has an orange background with white text for faculty and student coordinators and the date.
