

Department of Master of Commerce organized environment awareness campaign on 16th August 2022. Students made posters showing environmental pollution, its causes and solutions. They also addressed about three 'R's, Reduce, Reuse and Recycle. They wrote slogans and addressed to auto rickshaw drivers, students and general public on challenges of increasing emission, benefits of car pooling and 'Cycle Chalao' etc.

Extension activity-Environment awareness campaign by M.Com students on 16th August 2022
