

The aim of Add on courses is to impart job skills to students through certificate courses along with their degree certificates. It tries to mould students with employability skills. Our academic partners **PRIMAX FOUNDATION, SUMMIT CAREERS** and **Fin mark** have designed unique courses to equip students to face challenges in the job market. These courses not only improve their professional skills and knowledge but also boost confidence.

Department of Master of Commerce has signed MoU with **PRIMAX FOUNDATION, SUMMIT CAREERS** and **Fin mark** .
