	Summary of the Event (Minimum 100 words)	<p>The event was held on the topic "Breast cancer awareness" in association with Oracle Volunteering and Indian Cancer Society.</p> <p>The number of female participants were 125 students and 10 faculty who all dressed in pink to represent power of pink. The event was very informative and it also helped us to know about early detection of breast cancer and it to spread awareness about it. After the program refreshments were served and then there was a rally on street for 20 minutes where the students tried to make the people on the road aware of breast cancer by holding placards with the slogans.</p>
