Best Practices – 2

2022-23

1. Title of the Practice

Research Forum

2. Objectives of the Practice

The club was formed under the guidance of Principal to promote and inculcate the research culture among the faculty members.

3. The Context

Club's primary inclination is towards making participants develop understanding and insights about research. Many presenters were Ph D pursuing or yet to be registered faculties. Daddy buddy system would be helpful in this concept.

4. The Practice

Research scholar can get better exposure and can have their presence in Scopus indexed/UGC CARE listed journals. There can be student and faculty collaboration for research. Describe the best practice and its uniqueness in the context of India higher education.

5. Evidence of Success

Such initiative helps in enhancing the understanding about research and would helped uplift the quality of research. Many faculties could do research, could have presence in national and international conferences and publish the manuscripts in reputed journals.

6. Problems Encountered and Resources Required

Some more professional skills to be developed as application of statistical tools. Such issue can be tackled with hands on training of application of statistical tools to be conducted.
