Q10.	There is freedom to propose, modify, suggest and incorporate new topics in the syllabus.	0	1	1	3	0

Suggestions:

- system should be reviewed which is followed by the university for the design and development of the curriculum
- Include CASE STUDIES in each module of all courses.
- The Syllabus needs to be modified.
- Kindly equip with books for syllabus and do not engage in drastic change of syllabus without books for reference. Also student internship programs can be arranged by university as companies do not entertain interns in the field of commerce and management.
