

Webinar Titled: Enhancement Employability Skills

On the 31st of January 2022 Department of BBA/B.Com under the Alumni Cell (SAMMILANA) organized webinar title 'Enhancement Employability Skills' exclusively for all the students of V Semester BBA/B Com. The resource person was Mr Sabareesh Shanmugam who was the alumni of Commerce for the batch 2014 to 2017. Currently working in Deutsche India Private Limited. The resource person conducted the session more interactively. He highlighted the skills and knowledge that a student must possess when he is applying for a job. He also mentioned the foremost importance of equipping oneself with value-added programmes which will increase his/ her credibility. In the session, the speaker also spoke on what one needs to do to survive in a corporate sector and what kind of challenges one would face. The students were quite inquisitive to know specifically which courses to pursue after their graduation and how they need to prepare themselves during their educational journey on campus. Mr Sabareesh gave some glimpses of his journey as a student at Dayananda Sagar College of Arts, Science and Commerce. The speaker made sure the entire session go in a more lively manner which he supported every statement of his with good examples. Overall the entire session lasted for more than an hour and the students thoroughly benefited from session. The programme was conducted on Zoom Platform and streamed on youtube. A total of 100 students participated in the event and made the event fruitful. Students had a lot of clarifications which was systematically addressed by the resource person during the Q&A.
