

Report on HR Club Activity -4 'FLY BALL'

On 13th December 2022 HR Club –YUKTHI student coordinators and members organized its HR Activity for the Odd Semester titled 'FLY BALL' for all the students of BBA/B.Com. The main objective of this activity is team building and time management where there were two points, start and end and at both the points a pole was been set and at the start point the pole had a ball placed on top and a ring placed in it, the ring was tied with the ropes on four sides.

The students were suppose to divide themselves in team of 4 and the students were slowly suppose to lift the ring with the help of rope and balance the ball and take it to the end point.

The team that reaches the finish point in less time was considered as the winner.
