

# DAYANANDA SAGAR COLLEGE OF ARTS SCIENCE & COMMERCE

Affiliated to Bangalore University

Shavige Malleshwara Hills, Kumaraswamy Layout, Bangalore, Karnataka, India, Pin Code : 560111  
Phone : +91 8042161762 / 26661104 Fax: 26660789,  
Website : <https://dscasc.edu.in/>

## Criteria -1 Metrics -1.1.2

### *1.1.2 The institution adheres to the academic calendar including for the conduct of CIE*

An academic calendar serves as a reminder of important events for students, instructors, and staff during the academic year and semester. Parents, alumni, and potential students all benefit from it. Every educational establishment has its own academic calendar with specific dates on it. Our Academic Calendar represents planning of College, schedule for whole semester to make aware the teachers and students about important dates-driven information. The calendar talks about academic and non-academic activities in addition to cultural events. The sole purpose of incorporating academic calendar is to improve the teaching-learning qualities, to finish the assigned task within deadlines and instill among teachers and students about the importance of professional standard. Beginning of the semester each department prepares their own Calendar of events to cater the unique needs of the course. And all the departments adhered to that for conduct of examination and other activities. Calendar of Events generally covers following: Centre for Innovation and Learning (CIL) training sessions, first and second internal tests, parent – teacher meeting, various cell activities such as literary events, cultural events, sports events, lectures from eminent personalities from industry, date submission of internal assessment marks to university, industry visit, University examination dates. The above activities are common for both semesters but in case of odd semester there would be provision for inauguration of the new semester and schedule for orientation and bridge course. In case of even semester there would be provision for mock viva for the final semester students. It helps in sequencing activities in appropriate manner and avoid clash of events in a department by optimum utilization of the limited resources such as auditorium, playground area, etc. Based on this master schedule, internal test schedule, invigilation schedule, schedule for submission of internal test papers to internal test committee, submission of test scores to internal test committee is prepared.

The calendar of events would be regularly provided by University to the different departments. Every department adheres to the academic calendar provided by the university with little or no deviations whatsoever. This academic calendar along with the syllabus scheme acts as guidelines to the various departments for the Continuous Internal Evaluation (CIE). The CIE comprises of two components namely i) Internal Assessment Marks and ii) Semester end exams. The Academic calendar comprises of the dates for conduction of internal tests and semester exams. The university syllabus scheme provides the various components for the Internal Assessment for certain marks which vary from department to department. The different

components for IA assessment are Attendance of students for 5 marks, internal tests for 10 marks, Student assignments for 5 marks, Student presentations for 5 marks, Books or Journal article reviews for 5 marks or Case study preparation for 10 marks and Mini project for 10 marks. Suitable components of internal assessment are considered depending upon whether the students are in their 1st year, 2nd year or 3rd year of their respective courses.
