Dear Hemanth,

Congratulations!

Your AWS Educate application has been approved. As a member of the AWS Educate program, you will gain access to the benefits listed below:

AWS Educate Educator Collaboration Portal (ECP)

The ECP is the hub for AWS Educate educators around the world to find great content on cloud computing, learn about the program, and interact. Click here to set your password and login to the ECP for the first time. Your username is your email address.

Click here to access the ECP directly in the future after updating your password.

AWS Promotional Credit

It's our pleasure to issue you an Amazon Web Services (AWS) promotional credit code in the amount listed below.

Credit Amount (US): $200.00
Credit Code: PC2YDCF8X21MOFT

Free AWS Essentials and 50% discount on Instructor-Led Training

To access our foundational AWS Cloud Practitioner Essentials online learning class for free, get your 50% discount on Instructor-Led Training, and find many other self-paced labs, first sign into to your AWS account and then click here.

Once you access the Training and Certification portal, click "Learning Library" and search for "AWS Cloud Practitioner Essentials" to easily locate and enroll in AWS Cloud Practitioner Essentials on-line training. You can also search for instructor-led training and browse the full training catalog. You can access AWS training any time after setting up your account by clicking here.

50% Discount on AWS Certification

If you would like to receive a 50% discount on an AWS Certification exam, please set up a webassessor test taker account here and then click contact us to request a discount code. Each educator is eligible for only one certification discount coupon.

After you log in to the ECP, you may find it useful to explore the AWS Educate Institution Onboarding Guide by clicking here. This guide provides a walk-through of the AWS Educate applications for students and educators; processes to create billing alerts and link accounts; an overview of AWS account creation pages; and options for managing student accounts for institutions interested in different approaches.

Thank you again for participating in AWS Educate and we hope you enjoy the program!
