23. Summary of the Event (Around 100 words)	<p>The Department of BBA Organized a Live Project Viva Voce typically involves an evaluation where students present and defend their work on a real-world project they have undertaken as part of their academic curriculum. It is to evaluate students understanding of their Project and to assess their ability to apply theoretical knowledge to practical scenarios. It is to enhance their communication and presentation skills. Students briefly introduce about their project and provide an overview of their project. They emphasized on Objectives, scope, Methodology and tools used for Data analysis and Findings. It helps in understanding every aspect of the project in detail and it provides anticipated possible questions and prepares concise answer. The viva voce serves as a platform for students to showcase their learning and skills.</p>
