

This certificate is awarded to

**narsimha ms**

for successfully completing

**Introduction to Cybersecurity**

offered by NASSCOM

through the Cisco Networking Academy program.

# Certificate of Course Completion

*Lakshmi Pradeep G*

*has successfully achieved student level credential for completing the Introduction to Cybersecurity course.*

*The student was able to proficiently:*

- *Explain the basics of being safe online, including what cybersecurity is and its potential impact.*
- *Explain the most common cyber threats, attacks, and vulnerabilities.*
- *Explain how to protect oneself while online.*
- *Explain how organizations can protect their operations against these attacks.*
- *Access a variety of information and resources to explore the different career options in cybersecurity.*
