FEEDBACK

name of the activity: Expert talk series. Architecting the future
A comprehensive guide

• Department: BBA

• Date : 20th July, 2026.

Today's expert talk was really informative and inspiring. It helped us setting an entrepreneurial mindset. It also gave us an idea to think out of the blue by suggesting us diverse career options for BBA. Listening to all the success start ups stories inspired us to think positively and work towards our goals. The expert explained everything in a detailed and simple manner. We are grateful to the department for organising such an informative session for us.

Thank you.

"The Expert talk Series on 'Architecting the Future - A Comprehensive Guide'"

It was an excellent learning experience. The Session was thoughtfully planned and delivered in a highly engaging manner. The speaker shared valuable knowledge about career growth, future trends, Innovation, and the skills required to succeed in today's competitive worlds. The practical examples and interactive approach helped me understand the concepts more effectively.

The session encouraged critical thinking, inspiring confidence, and motivated student to prepare for future challenges with a positive mindset.

I found the lecture to be informative, inspiring and relevant to my academic and professional goals. I sincerely thank the organizing team and the resource person for conducting such an insightful and impactful session."
