24.	Summary of the Event	The Expert Talk on "Pathways in Finance: From Investment Banking to Corporate Strategy" was conducted for 1st year BBA students to introduce them to the diverse career opportunities within the finance sector. The resource person explained key concepts of investment banking, corporate finance, and strategic planning, showing through real-world examples how finance professionals drive business growth, manage risk, and support decision-making in organizations. Students were introduced to various career roles, from investment banking analysts to corporate strategy consultants, along with the skills needed to succeed, such as analytical thinking, financial modeling, and effective communication. The session encouraged students to explore different specializations within finance and understand the importance of continuous learning and staying updated with industry trends. Interactive and insightful, the talk helped students gain clarity on career pathways in finance and inspired them to take proactive steps toward building a strong professional foundation in the field.

Today's Expert talk was about finance and it was very informative and it was easy to understand it was thoughtful.

We learnt about stock market and why which will help in our future we are thankful to have a professor like her.

Name - Saikat Pritya
Branch - BBA

Expert talk.

This session are actually the great experience.
It's good knowing about the stuff which we haven't
learned. The finance and stock is gonna be useful
for us. It can help us shape our career.
Thank You.

Sapana Rajpurwadi.
