24.	Summary of the Event	The II semester BCA students had a training session on “Communication Skills “on 18-2-2026 .The Speaker started the session by the introduction of all students .Next the Speaker told the importance of the Communication and its uses. Activities have been assigned to the students and students of II semester BCA Participated Activity. Activities like finding the similarities among their bench mates and explaining to all others in the class, making some creative way to introduce themselves and so on. The importance of conducting activities is to get rid of their stage fear and gain confidence. Overall the training session was huge success and students came to know about the importance of communication..

Topic: "Communication Skills"

Course: BCA B sec.

Date: 18/2/2026

The Behaviour & Nature of the trainer was very good but it wasn't the same with what he thought us. The Topic was on Communication skills but he didn't make us perform any activity regarding it. The session was of 6 hours but in that informational & effective was hardly 30 mins. Although he kept us engaged by doing some or other thing but nothing was informational/useful.

BCA A sec II sem

Sir was very interacting and joyful in the class. The information was very useful but he was interacting with only the front benches and was getting distracted very easily. He made us do many activities which were full of fun. The only thing which disappointed us is the distraction which was caused by few students.

I would rate it A good good 4.5 out of 5.  
The session was very helpful/informational. The experience was very enticing. He was very interactive. He also kept us engaged & everything he thought us was easy to understand.

The training significantly improved our confidence in Communication, Teamwork & Professional Behaviour.

'A' Sec

The class was very fun, interactive, interesting, and the coach was telling all about his real life story, and his experience in his field. He thought us how to dress up & groom to an interview and gave suggestions for healthy diet. and much of his thoughts were on his experience itself.
