Summary of the Event	The Department of Computer Applications-BCA, under COE-Cyber Security, organized a technical event titled "Cyber Security Awareness in the Digital Era" on 16th and 22nd October 2026 for 1st Sem BCA Students. The sessions created awareness about cyber threats, phishing, online fraud, password security, data privacy, and safe digital practices, encouraging students to use technology responsibly and protect personal information. The programme also helped students develop skills to identify potential cyber risks and adopt preventive measures against online threats. The event aligned with SDG 4 – Quality Education by promoting cybersecurity awareness, digital literacy, and the safe and responsible use of technology.
