Feedback on Session on Student Grievance Awareness Program for BCA

1) The orientation session provided a clear understanding of how the student grievance cell operates and the ways it supports students. The teacher explained clearly on how we can file grievance and how our problems can be solved.

We learnt about the step by step process on how we can post our grievance in the website and teachers of that cell will solve our grievances.

Knowing there is a safe, structured space to voice genuine grievances without fear provides great peace of mind.

- Deepak S. D

2) The student Grievance cell orientation was extremely helpful in clarifying how the institution addresses academic & administrative concerns. Learning about the structured resolution process & strict confidentiality policies gave me great confidence in the administration's support system.

Knowing there is a safe, transparent channel to voice issues without fear of backlash makes the environment feel much more secure. Overall, it was a reassuring session.
