23.	Summary of the Event	<p>The Department of Computer Applications organized a Faculty Development Program (FDP) focused on Mobile App Development. The program aimed to equip faculty members with the essential skills and knowledge required to teach and guide students in the field of mobile application development. Dr. Senthil Vadivu M, Assistant Professor at Christ University, served as the speaker for the FDP, conducting hands-on sessions using Android Studio.</p> <p>The FDP spanned over the entire day from 9:00AM to 4:30 PM, accommodating a total of 30 participants from various departments across Bangalore. The sessions included Introduction to Android Development, Activities and Basic Views, Working with SQ Lite Database. The program achieved its objectives of enhancing faculty competencies in mobile app development and promoting a culture of continuous learning and skill development. Such initiatives play a crucial role in empowering faculty members to stay abreast of emerging technologies and effectively prepare students for the dynamic field of mobile application development.</p>

## ABOUT THE COLLEGE

Dayananda Sagar College of Arts, Science and Commerce (DSCASC) is one of the leading colleges in the Silicon City of India, Bangalore, running under the aegis of a six decade old Dayananda Sagar Institutions. DSCASC offers programs both at under graduate and post graduate studies and is affiliated to Bangalore University. With more than 2000 students on its roll, DSCASC has been in the forefront of providing quality education. DSCASC is nestled in a serene campus of 30 acres in the heart of the city with the state-of-the-art facilities. The Department of Computer Applications offering the undergraduate program BCA and post graduate MCA has been associated with various corporate and industry bodies and has setup various Centers of Excellence in areas viz. AI and Data Science, Cyber Security and Cloud Computing. The Department boasts of having a committed and experienced staff imparting high quality education to the students through innovative and ICT enabled teaching techniques. The success of the Department is evident by the sheer number of students passing out every year and getting placed in reputed companies.
