18.	Summary of the Event	The Department of Computer Applications-BCA organized an engaging mentoring session titled "Meaning of success" on 22-04-2026 for students of IV semester with the objective of inspiring students to understand the true value of success in life. The speaker explained that success is not only about wealth or ranks but also about growth, happiness, and purpose. Students learned the importance of hard work, discipline, and learning from failure. The session was interactive and encouraged students to reflect on their personal goals. Overall, the event was motivating and highly beneficial for all participants.

Feedback

Date: 22/4/2026

Time: 11:00 - 12:00

Class: IV 'B' BCA

The session on the meaning of success was insightful and thought provoking. It helped me understand that success is not just about achieving wealth or high positions, but also about personal growth, happiness and fulfillment. Overall, the session was engaging, inspiring and very useful for students like me.

The Session was all about meaning of success where the professional was interactive conducted many activities to make the crowd engaging. It time spent in the program was truly valuable get us to re-think about our own passion and help us concentrate on ourselves. The task of knowing a successful person every month will help us further and get a new add-on to the every month return.

- BCA IV'B'
