21.	Summary of the Event	The BCA Department conducted a seminar on 07/11/24. The speaker, Sinchana, introduced the students to an exciting career path in entrepreneurship. She informed the students about the TIE Global Summit, which will be held in December. The summit will feature 300 investors, 500 corporate employees, and numerous future entrepreneurs who will share their innovative ideas. The speaker explained the process of attending the summit, including the number of rounds and the cash prize for winners. She also mentioned an app called Profile. This app offers various features that will be helpful for users in their career paths.

The session was very informative & interactive. We got an opportunity to present the business ideas in TIE Global Summit, where several Investors & Corporate Employees will be present. We also got to know about an useful app named proofile, where students can create there websites as well as update there resume in real-time.

Overall the session was very good & interesting.
