There was a college event conducted in our class about Gender equality and Women Empowerment. Actually it was a very knowledgeable activity. Where we learnt more about the power of women and what are their achievement in our society. In gender equality we learn about the equality of gender or discrimination between male and female. Totally it was a fun filled event where we also learn about the struggles women go through on a regular basis. It was a enlightening section and also an awareness creation section and activity.

The collage event that was conducted on the topic Women empowerment and entrepreneur was very informative which inspired all of us relating to respect the men and women equally.

The event has helped to gain the insights about gender equality and also was an inspiring for all of us

I would like thank the faculty for conducting such an event which helped us in changing the insights that we had about the women empowerment.

Thank you

Harshith P R
