About DSCASC

Dayananda Sagar College of Arts, Science and Commerce is a prominent educational institution located in Bangalore, India. It is part of the Dayananda Sagar Institutions, which is known for its quality education and emphasis on holistic development. Established with the aim of providing excellent academic programs, the college offers a wide range of undergraduate and postgraduate courses in arts, science, and commerce.

About Department

The Department of Commerce in a college is a student-led organization that serves as a platform for students in the commerce stream to engage in extracurricular activities, foster a sense of community, and enhance their academic and professional skills. The club typically organizes events, workshops, seminars, and competitions related to various fields of commerce such as finance, accounting, and entrepreneurship.

About FinAcct Fest

The FinAcct Fest Event is an exciting platform that brings together students from various colleges to engage in a series of competitive and collaborative activities focused on the world of commerce. This event offers participants an opportunity to showcase their skills, knowledge, and creativity in various business-related fields such as finance, accounting, and entrepreneurship.

CHANAKYA
