		checks, and safety procedures. Students observed how different departments coordinate to ensure efficient production and timely completion of vehicles. The visit helped them understand real-time industrial operations, modern manufacturing practices, and the importance of teamwork and precision in the automobile industry, thereby bridging the gap between theoretical learning and practical application.

## Feedback on Industrial Visit from I year students – Section C

During our industrial visit to TVS Motor Company, we had a very informative and valuable learning experience. We got an opportunity to understand the manufacturing process, production line, and quality control methods used in the company. The visit helped us connect theoretical knowledge from our MBA studies with real industrial practices.

The company representatives explained the working environment, safety measures, and different departments involved in production and management. It was interesting to see how teamwork and advanced technology help maintain efficiency and high product quality

Overall, the visit was very useful and enhanced our understanding of the automobile industry

We are thankful to the management of TVS Motor Company and our faculty for arranging such an insightful industrial visit.

- Rajalakshmi, Student  
I Year 'C' Section

The Industrial Visit to TVS motors, Hosur was wonderful.

We were given details about the manufacturing of 3 wheels vehicles such autos, Tempos

Our Guide/IV co-ordinator from TVS Mr.Adithya was friendly and was good in his explanation regarding Manufacturing plant.

- Nikhil Pawar, Student  
I Year 'C' Section

It was very nice experience visiting TVS motors in Hosur. It helped to learn practically about how automobile industries work.

I request the institution to conduct much more industrial visit in upcoming days.

Thank you

- S A Adithi, Student  
I Year 'C' Section
