				Yes
24.	Summary of the Event	The Department of Computer Applications, MCA, in association with Smashti Foundation, has organised a tree plantation at Sundaravana, Somasundarapalya, HSR Layout, Bangalore, to promote environmental conservation and expand green cover. Students actively planted saplings and learnt about their care. A zero waste workshop was led by Mrs. Lalithambal from the Community Task Force, who shared practical tips on waste segregation, composting, and sustainable living practices. It was a productive session focused on environmental sustainability.

Feedback

I felt very happy to participate in the tree plantation activity at Sundaravara, Somasundara Palpa, HSR layout. It was a wonderful experience to plant sapling & learn about the importance of protecting nature. The zero waste workshop by Mrs. Lalithambal was very informative & practical. I learned useful tips about waste segregation & composting that I can follow in my daily life. This session motivated me to be more responsible towards the environment & adopt sustainable practice.

Feedback

I enjoyed participating in the activity at Sundarvarya, Somasundarapalya, HSR layout. While digging the soil for planting saplings, we found a lot of plastic waste, and it made us realize the importance of keeping our surroundings clean. We helped clean the area, planted saplings, and watered them together. The zero waste workshop by Mrs. Laithambal was very interesting and taught us simple ways to reduce waste, practice segregation and follow sustainable habits in our daily life.

Shashank, K
