24	Summary of the Event (Around 100 words)	The Department of Computer Applications (MCA), IQAC, Dayananda Sagar College of Arts, Science and Commerce, organized a Guest Lecture titled "Agile Excellence: The Modern Software Delivery Paradigm" on 1st September 2026 from 10:00 AM to 12:00 PM at the Seminar Hall, Building No. 17. The session was delivered by Mr. Vidhey Trivedi, an accomplished Agile Coach and Agile Program Manager, holding prestigious certifications including ICP-ACC, SAFe® SASM, CSM®, PMP®, and PRINCE2®. During the lecture, the resource person provided valuable insights into Agile methodologies and modern software development practices. The session covered key concepts such as Agile principles, Scrum framework, Jira Software, Test-Driven Development (TDD), SAFe, and project management practices, emphasizing collaboration, continuous improvement, faster delivery, and high-quality software development. The lecture enabled students to understand the importance of adopting an Agile mindset in today's software industry and highlighted the practical application of Agile tools and frameworks in real-world projects. The interactive session encouraged active participation through discussions and real-life examples, helping students bridge the gap between academic learning and industry expectations. A total of 105 students from MCA 1st Semester actively participated in the guest lecture. The event was highly informative and beneficial, providing participants with a strong foundation in Agile practices and preparing them for careers in modern software development and project management.
