Bridge and Remedial Unit- UPLINK
Annual Report June 2025 to May 2026

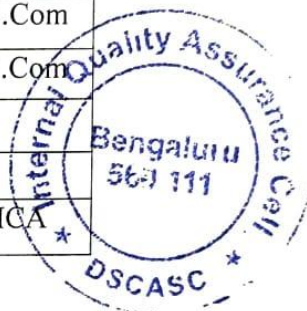

The Bridge and Remedial Unit plays a vital role in supporting students' academic transition and overall development. It is established to bridge the gap between students' prior learning and the curriculum requirements of higher education. The unit organizes bridge courses, induction and orientation programmes, and skill development sessions to help first-year students adapt to the college environment. It also conducts programmes on life skills, ethics, mental wellness, and professional excellence to promote holistic growth. Remedial classes are provided for slow learners and academically challenged students to strengthen their conceptual understanding and improve academic performance. Faculty members identify students requiring additional support and offer focused coaching through structured remedial sessions. The following table presents the details of the Bridge and Remedial Unit activities conducted during the academic year 2025-26.

Sl. No.	Event Name	Date	Department	No. of participants	Weblink
1.	Inauguration Program	10-07-25	B.COM	280	https://www.dscasc.edu.in/images/BCom/new/Iugp.pdf
