The event 'Euphoria Mela' was a highly engaging and insightful experience for us. It provided a valuable platform to explore innovative ideas, understand startup culture and interact with like-minded peers.

We had set-up a stall named - 'Mango Mania Soda Station'. We enjoyed a lot and learnt a lot.

Euphoria Mela - 2026

15/04/2026

The stall organised was a highly enriching and valuable experience. It provided an excellent platform to present ideas and showcase creativity to wider audience.

The response from students and faculty member was encouraging and appreciative. This experience helped in enhancing teamwork, communication and organizational skills, along with providing practical exposure to basic marketing and customer interaction.

Overall, the initiative contributed significantly to learning beyond the classroom. Such activities are highly beneficial and should be encouraged in the future.
