## FEEDBACK ON THE STUDENT SUMMIT CONDUCTED BY THE ENTREPRENEURSHIP CLUB

The student summit organised by the Entrepreneurship Club was an inspiring and informative event. The sessions were well-planned and gave deep insights into entrepreneurship and leadership. All the speakers were knowledgeable and motivated us to think creatively. The summit helped me understand real-world business concepts better. It also encouraged me to explore my own entrepreneurial potential.

Overall, it was a wonderful learning experience and I look forward to more such events.

# ENTREPRENEURSHIP CLUB SPEECH

Hello everyone,

I'm really excited to be here today as part of our entrepreneurship club. This club is all about ideas, creativity, and the courage to make something new. We are here to learn how to think differently, solve problems, and maybe even build something that can change lives.

Entrepreneurship doesn't only mean starting a business. It means taking risks, being innovative, and finding opportunities where others see challenges. In this club, we get to share our thoughts, work on projects, and learn from each other's experiences. The best part is that we're not just preparing for the future - we're creating it. Every idea, no matter how small, has the power to grow into something big. Let's use this platform to support each other, build our skills, and keep pushing forward with confidence.

Thank You
